

Accessing NetClassroom from Home

Access your student's assignments and grades by following these steps:

- Using a Web browser on any computer, enter: <http://wesed.org>
- Click on the **Academy**.
- Click on **Parents/Students Links**.
- Click on **Access to NetClassroom**.
- On the NetClassroom login screen, enter your assigned **User ID** and **Password**.
 - To change your password, go to the **Administrative** tab near the top of the page and click **Change Password**.
 - Your new password can be a maximum of 20 characters and is not case sensitive.
 - NetClassroom does not allow you to change your User ID.
- Once you are in NetClassroom's Main Menu
 - You will see your child's name – If you have more than one child at Wesleyan, they will be listed alphabetically by their first name in the drop down box on the left of the page.
- Any school wide announcements will be shown in the left margin.
- Your child's grades and assignments can be viewed in the main page area.
- To see more detail, use the tabs across the top of the page.
- When done viewing your child's information, please be sure to **LOGOUT** (upper right hand corner) for your own security.

For answers to common questions, click the **FAQs** under the **Administrative** tab.

For answers to other technical questions or for password information, e-mail Patsy Griffin at pgriffin@wesed.org or cheintzelman@wesed.org.

For answers to questions regarding grades, please contact the appropriate teacher.
